Evening of Education

Thursday, April 26th

6:30 – 7:30 pm

Have Sexy Legs by Summer

As a Board Certified Vascular Surgeon & Vein Specialist for Alta Bates, Summit, Diablo and John Muir Hospital, Dr. Bry is on the forefront of modern vein care. Dr. Bry's surgical skill & diagnostic abilities are highly respected by his peers and patients. He has performed specialized vein procedures since 1994 and began Sclerotherapy in 1995. Many of the professionals performing sclerotherapy today have "cosmetic" credentials, and lack the vascular expertise and experience to accurately identify who is and more importantly who is not a good candidate for sclerotherapy. As a vascular surgeon, Dr Bry is highly trained in identifying patient needs that may extend beyond sclerotherapy. Meet Dr Bry on April 26th and have all your questions answered about this popular cosmetic procedure.

RSVP to 925-609-8746 by 04/21/07 to reserve a seat.

Clients attending this event will receive a \$50.00 discount toward treatment.
