FACIAL OF THE SEASON

Keep sparkling through the Holidays with a

Berry Radiance Facial

The winter season brings a bounty of earthy, colorful berries. These nutritious fruits will reveal a youthful healthy glow to keep you sparkling for the Holidays. This soothing experience begins with an exotic preparation of fine oils from grapes blended with cinnamon and clove oils served lightly warmed. Cherries, Pomegranates, Blueberries, Red Berries and Raspberries all work together to deliver a scentsational facial to rejuvenate, firm and tone the skin.

Available this season for \$99.00

The facial of the season always includes the Décolleté! An added \$50.00 Value.

MASSAGE OF THE SEASON

Relax and Rejuvenate with a

Toning Basalt Stone Massage

Our popular stone massage is combined with powerful antioxidants to create a rejuvenating and ultra hydrating body treatment. Toning and moisturizing clay is infused with essential nutrients to purge toxins from the skin, leaving it re-mineralized and smooth. The ancient healing properties of the hot basalt stones provide deeper penetration of nutrients into the skin through a full body warming massage. Wrapped in light linens, luxuriously relax under a steam canopy for total body rejuvenation.

Available this season for 99.00

The massage of the season includes an amazing value added experience.

PRODUCT OF THE MONTH

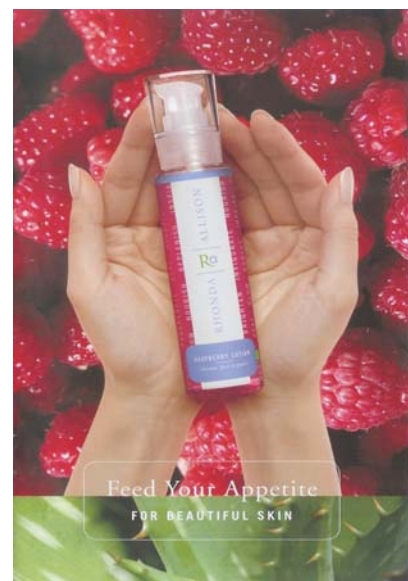

Serious Skin Support by Rhonda Allison's

Raspberry Lotion

An all natural liquid toning lotion that freshens and smoothes the skin while balancing oil production. Aids in controlling the shiny appearance due to overactive oil glands, binds moisture, and firms and tones the skin. Add antioxidant rich Raspberry lotion to your regimen to increase your skins rejuvenating abilities. Regularly \$28.00

FOR BEAUTIFUL SKIN

Wrap Your Body not just your

The seasons hottest treatments, as seen on "Oprah" and "The View" to sculpt and tone your body!

Available this month for
\$70.00

Regularly \$85.00

We eliminate toxins and impurities through the skin because it is the largest organ of the body. By removing them the body can reduce its excess water weight. The process of a compression wrap lifts and contours the body by compressing fat cells, putting displaced tissue back where it belongs. This can mean a visual improvement in cellulite and this is how we lose the inches! Look sleek and slimmer in your holiday party dress or start early on that New Years Resolution to slim down. Our Body Contouring Treatments will have you looking and feeling like you have been spending time at the gym!

Receive a \$10.⁰⁰ trio Rewards Cards for every wrap.
