Micro Refresher Laser Peel™ is performed using the Sciton laser which is now recognized as the preferred method of skin resurfacing. This advanced skin rejuvenating treatment precisely removes the outer most layer of skin leaving it noticeably smoother, reducing fine lines and pore size for a supple even toned complexion.

This laser treatment is regularly \$250.⁰⁰ and is being offered in our holiday promotions for **\$49.⁰⁰** when you schedule your Facial or Massage of the season. The Micro Refresher Laser Peel is replacing medical microdermabrasion as the latest in skin rejuvenation. Call today and schedule your facial or massage of the month and take advantage of this amazing laser promotion.
