Firming & Toning

A Firming Micro Treatment followed
By a FREE Toning Hydration Facial.

The goal of the Firming Micro Treatment is to minimize fine lines, reduce pore size, even skin tone, stimulate collagen rejuvenation and smooth skin texture. Return 5-7 days later for an intensive toning facial to rehydrate, polish and plump the skin. See and feel the benefits that make this one of trio's top 5 rejuvenation treatments. It's easy, fast and produces a result with no down time. Features a 2009 ingredient favorite, Resveratrol!

\$149.00

Peel Price Regularly \$195.00
Hydration Facial Value \$55.00

Skincare Designed to Support and
Enhance our Professional Treatments
and Lightwave Therapy.

Introducing ABI Dermaceuticals A professional collection of skin care products that are non-comedogenic, paraben free and support clinical and aesthetic procedures. ABI's result-oriented products contain high levels of active medical grade ingredients that not only heal and protect the skin, but truly transform it. Look for new products each month.

Exfoliating Enzyme Wash

A select blend of papaya & pineapple enzymes designed to refresh the skin, washing away impurities and exfoliating dead skin cells. Nourishing moisturizers help to hydrate and balance the skin for a fresh, healthy complexion. Appropriate for all skin types.

RETAIL \$25.00, 4oz

Hyaluronic Peptide Complex

High concentrations of medical grade hyaluronic acid boost hydration and supports skin elasticity. This unique complex contains **Argireline**. This intense peptide is known to restrict muscle contractions leaving the skin feeling instantly firmer and tighter.

RETAIL \$85.00, 1oz

Clinical Eye Repair Cream

A new cutting edge skin care product with ingredients such as **Eyeliss®** to reduces under eye bags & **Haloxyl®** to reduce dark circles while firming & toning sagging skin. Eye Repair contains antioxidants & peptides for maximum anti aging benefits.

RETAIL \$50.00, .5oz
