# 8<sup>th</sup> Anniversary Open House

Join us for our Anniversary Sale & Celebration Saturday, October 16<sup>th</sup> from 11-3pm

The number 8 is considered particularly auspicious in Chinese culture because it sounds similar to the word "prosper" or "wealth." We also like the visual aspect of 8 because it is similar to the infinity symbol which is a happy thing to associate with the relationship we have with our clients and patients. Look for the infinity symbol in this newsletter and upcoming email promotions & receive 8 additional tickets towards our Grand Drawings through the Holidays.

## Facial of the Season

### Pumpkin Apple Spice, \$129

You don't have to wait for the Holidays to appreciate this delicious enzyme packed facial. That's right; pumpkin is no longer just for pie with its potent pore cleansing action. It's just the boost your skin needs for the fall and winter season. This combination of pumpkin and fruit enzymes is purely delightful and will deliver a powerful exfoliation while nourishing damaged skin with age-fighting vitamins and anti-oxidants. Drift into deep relaxation enjoying the scents of the season with a calming shoulder massage and organic apple mask to renew, moisturize and repair your skin.
